

Catering

On all UPJV campuses, you will find catering facilities for students and staff, managed by the CROUS Amiens-Picardie. At the Resto'U or the Cafeteria, you can enjoy balanced meals, on the spot or to take away, at a price adapted to your income!

Quality catering for all budgets

The CROUS Amiens-Picardie, through an agreement with the UPJV, provides students and staff with various catering facilities on campus: Resto'U and cafeterias.

The Resto'U or RU is a university restaurant that serves complete, balanced and quality meals. Organised according to a self-service system, it allows everyone to choose the dishes that will make up their menu.

The cafeteria offers fast food (sandwiches, salads, etc.) to eat in or take away.

All CROUS Amiens-Picardie sales outlets offer a competitive and social price scales. The price of your meal varies according to your resources (student with or without a financial grant, salary level for staff).

Regardless of your income, you can enjoy complete and balanced meals!
